

ICDLT 2026

The 10th International Conference on
Deep Learning Technologies **Kunming, China**
July 17–19, 2026

<https://www.icdl.org/index.html>

ICDLT 2026 will be held in Kunming, China, in July 2026. Organized by Kunming University of Science and Technology and hosted by the Faculty of Information Engineering and Automation, the conference aims to provide a high-level academic exchange platform for researchers, scholars, and engineers worldwide in the field of deep learning and related areas. Participants will have the opportunity to present cutting-edge research findings, discuss emerging trends, and promote academic and industrial collaboration.

We cordially invite experts from academia and industry to submit contributions, participate in oral presentations, poster sessions, and thematic discussions, and jointly advance innovation in deep learning theory and applications.

Organizer | Kunming University of Science and Technology, Faculty of Information Engineering and Automation
Publication | ACM International Conference Proceedings, indexed by Ei Compendex and Scopus

Publication

All accepted papers of ICDLT 2026 will be published in the ACM International Conference Proceedings and submitted for indexing in Ei Compendex and Scopus.

Track Chair

Prof. Leiming Ma
Shanghai Typhoon Institute, China
